LAND OF *pleasant living*

Nestled on the Chesapeake Bay's western shore at the northern tip of Calvert County, the Town of North Beach epitomizes "land of pleasant living." North Beach has much to offer residents and visitors alike. You can enjoy the sun and the Chesapeake Bay while relaxing on the sandy beach. The boardwalk, lined with blossoming flower beds and dotted with park benches, is very popular among athletes and casual strollers. The newly renovated pier is available for weddings and special events, while the lower level fishing deck is a popular spot for those seeking the catch of the day.

Special events and OPPORTUNITIES

North Beach takes great pride in its unique and colorful past, eclectic special events and diverse recreational opportunities! You will find shopping opportunities for all budgets including antiques, fine arts, novelties and gifts. There are great restaurants and bakeries in town that offer casual and fine dining. The Friday Night Farmers' Market is the best place to "Buy Local". Wetlands Overlook Park is a wildlife refuge in tidal marshlands where native species make their homes and seasonal migrants find a welcome place to rest. Sunrise Garden is the new must-see spot in town. Special events that cater to families and adults are a major attraction.

Community full of CHOICES

North Beach is a community full of choices! The Bayside History Museum is home to an extensive collection of memorabilia from the surrounding bayside communities. All of North Beach's attractions are clustered within easy walking distance of each other, making it the perfect place to spend the day. North Beach was again voted "Best Bay Beach" and "Best Bay Town" and is becoming one of the most sought out venues for outdoor weddings by the beautiful Chesapeake Bay.
