## 2016 PARKING STICKERS

- To obtain a parking sticker, you *must* reside within the Town limits.
- **Property owners** who reside within the Town limits will be issued a sticker for each vehicle. The sticker is valid for 5 years, unless the property is sold. Property owners who do not reside within the Town limits will not be issued a parking sticker.
- **Renters** within the Town limits will be issued a parking sticker valid *until April, 2017*. A copy of the lease agreement for each rental and each vehicle registration showing proof of residency must accompany the request for a sticker.

Parking stickers cannot be transferred to a new vehicle when traded or sold. The old sticker should be returned to the Town Hall. The new vehicle registration will be required to obtain a new sticker. All sticker requests will be verified by the property records we have on file for the address. Parking stickers will be issued after verification of Town residency (via lease agreement for rental properties) and a copy of all vehicle registrations. Properties not in compliance with North Beach's codes and regulations will not be issued beach passes and/or parking stickers until compliance has been met.
